

Medicine Hat, Methanex and You.

Canada's Sunniest City: Medicine Hat

A Responsible Care® Company

Now Hiring Power Engineers

As a member of the site Operations team, this position is directly responsible for controlling the operation of the plant, while also providing mentorship and support in the areas of training and team development.

Required Qualifications:

- 2nd Class Power Engineer Certification or
- 3rd Class Power Engineer Certification, with progress towards 2nd Class
- 10+ years conventional methanol or ammonia plant experience, or other relevant petrochemical experience
- Previous experience with steam reformers an asset
- Previous experience with digital control systems an asset

Community lifestyle is one of the most important factors when considering a move.

Medicine Hat is a great place to live, work and raise your family. With a population of over 61,000, it is a growing community with a 'small town' feel. Medicine Hat and its large surrounding area offer residents an array of amenities.

The Medicine Hat Advantage:

- Great Climate
- Family Oriented Community
- Affordable Housing Costs
- Low Taxes
- No Provincial Sales Tax
- Low Utility Rates

Methanex offers the total package – generous benefits, competitive remuneration, employee development opportunities and commitment to work-life balance, all with the bonus of being based in Medicine Hat, a community of choice and place where people choose to work and play.

To become a part of this great city and company please visit the careers section on www.methanex.com and email your resume to mhcareers@methanex.com.
