## President & Chief Executive Officer

### METHANEX CORPORATION 2021

John Floren, Methanex's President and Chief Executive Officer, has been with Methanex since 2000 and brings more than 30 years of diverse international management experience in the chemicals industry.

Before assuming his current role as President and CEO in 2013, Mr. Floren held a variety of positions with Methanex, including Senior Vice-President, Global Marketing and Logistics.

As the world's largest methanol producer and supplier, Methanex has continued to advance its long-term strategy and maintain its leadership position in the global methanol industry.

Under Mr. Floren's leadership, in 2016, Waterfront Shipping, a wholly-owned subsidiary of Methanex, invested in the first-of-its-kind methanol dual-fuel engine vessels and by 2021 its methanol-run fleet reached over 100,000 combined hours of operational experience. In 2019, the company subsequently announced the procurement of four additional dual-fuel vessels and in 2020, another eight vessels. Upon delivery of this latest order, approximately 60 percent of its 30-ship fleet will be powered by lower emission, methanol-fuel technology.

Methanex has also achieved significant financial milestones during Mr. Floren's tenure. In 2018, Methanex met record production and sales volume, and recorded the highest adjusted EBITDA in the company's history.

Mr. Floren currently serves as a Director on the Boards of PALS Adult Services Society and West Fraser Timber Co. Ltd. He is a member of the Royal Canadian Air Force Advisory Council. His previous experience also includes the Chairman of the Methanol Institute, Director of the Formaldehyde Council and the PALS Autism School, as well as the Chair of the Standardbred Canada Audit and Finance Committee.

Mr. Floren earned his Bachelor of Arts in Economics from the University of Manitoba in 1987. He also attended Harvard Business School's Program for Management Development in 1998 as well as the International Executive Program at INSEAD in 2002. In 2012, he completed the Directors Education Program at the Institute of Corporate Directors. He is married and has two daughters. When he finds a spare moment, chances are you will find him playing golf or going for a run.

Methanex is a Vancouver-based, publicly traded company and is the world's largest producer and supplier of methanol to major international markets. Methanex shares are listed for trading on the Toronto Stock Exchange in Canada under the trading symbol "MX", and on the NASDAQ Global Market in the United States under the trading symbol "MEOH".
