

UK Tax Statement

Effective January 1, 2016 our sole UK subsidiary, Methanex UK Limited, ceased operations in the UK. Currently, the only function Methanex UK Limited undertakes is the maintenance of a legacy pension plan. Other than the pension plan, Methanex UK Limited has no other business activity.

Methanex UK Limited does not engage in aggressive tax planning, tax avoidance schemes or offshore tax structures that artificially reduce the amount of UK tax it pays. Methanex UK Limited strives to maintain a transparent relationship with HMRC and to undertake discussions, where and when necessary, on a prompt basis.
